

Jennifer Renick

February 2025

Education:

- Ph.D., Education with specialization in Human Development in Context
University of California, Irvine, Irvine, CA June 2022
- M.A., Education
University of California, Irvine, Irvine, CA March 2020
- B.A. with Honors, Community Mental Health: Schools and Youth
Pitzer College, Claremont, CA May 2015

Employment

Assistant Professor of Educational Psychology
University of Memphis, Memphis, TN August 2022 – Present

Research Consultant
Pew Charitable Trusts, Washington, DC October 2022 – July 2023

- Served as the junior lead to produce a scan and synthesis of promising practices to expand promotion and tenure systems to recognize and reward publicly engaged scholarship. Tasks included designing and implementing a data collection strategy with a range of institutional change leaders at diverse universities and organizations, analyzing and drafting results, and facilitating and participating in presentations for both internal and external audiences.

Graduate Student Researcher
Orange County Educational Advancement Network, Irvine CA June 2018 – July 2022

- Facilitated a new research-practice partnership with both a middle school and college access program, as a part of UCI School of Education's OCEAN initiative. Responsibilities included building relationships with relevant stakeholders, identifying mutual research interests, and data collection and analysis of research projects.

Equity Consultant
Public Research University, United States August 2020 – August 2021

- Supported a research group at a university in addressing issues of diversity and equity within their team. Tasks included designing and facilitating workshops on white supremacy culture within higher education and research, as well as creating and sharing tools to build team capacity to address issues of equity and diversity going forward.

Data and Evaluation Consultant
Promesa Boyle Heights, Los Angeles, CA January 2018 – December 2018

- Assisted staff team with creating a data and analysis plan for program evaluation. Responsibilities included designing and implementing qualitative and quantitative evaluation and reporting tools for data analysis, reviewing and improving existing quantitative measurement tools, and analyzing quantitative data and generating reports to be shared with school stakeholders.

Community School Achievement Coordinator
Promesa Boyle Heights, Los Angeles, CA February 2016 – August 2017

- Implemented the community school model at Hollenbeck Middle School. Role included building and maintaining relationships with a wide-range of school-based partners and stakeholders, facilitating community partner meetings to ensure ongoing communication and progress, and developing and implementing structures and processes for tiered pupil support services.

Grants:

- Supporting Public Impact Research Through Institutional Transformation July, 2024
Awarded by the National Science Foundation
 - Grant of \$1.25 million was awarded by the NSF ADVANCE program to create a four-year research-practice partnership focusing on institutional change to better support diverse scholars conducting public impact research. The proposal was submitted by the Association of Public and Land-Grant universities, with the University of Memphis as a sub-awardee and me serving as a Co-PI.
- Creating a Culturally Adapted Social-Emotional Learning Curriculum November, 2022
Awarded by the University of Memphis Division of Research and Innovation
 - This \$2,500 grant provides funding to support collaborative research projects within the University of Memphis – I was a member of a research team led by members of the Psychology Department and alongside faculty in the School of Social Work.

Jennifer Renick

February 2025

- Youth Beverage Consumer Education and Research Fund Grant November, 2021
Awarded by the California Department of Justice
 - This \$14,500 grant was a joint application with funding awarded to the participating school district to support the second year of a YPAR project conducted in partnership with a middle school.
- Student Research Dissertation Grant April, 2021
Awarded by the Society for Community Research and Action
 - This \$1,000 grant provides funding to support the dissertation of three student members of the Society of Community Research and Action, based on the quality and relevance of their dissertation to community psychology values and methods.
- Targeted Youth Activist Grant April 2012 – November 2015
Awarded by the Rosenberg Fund for Children for three consecutive years
 - This grant provides targeted activist youth with development grants of up to \$1,000 per year to further their education, support their emotional needs or develop their organizing skills.
- Sustainable Solutions for Supporting Students' Mental Health and Wellbeing: Capacity Building with Youth, School Leaders, and Community Stakeholders Under Review
Submitted to the Spencer Foundation
 - I served as a Co-PI for a \$75,000 Spencer Foundation Vision Grant submission with other members of the Memphis YPAR Collaborative to fund a project to leverage youth voice to create and assess mental health services.

Fellowships:

- OCEAN Community Research Fellowship June 2018 – July 2022
Awarded by University of California Irvine, Orange County Educational Advancement Network
 - This fellowship provides training through coursework and workshops in community-based, partnership research with educational practitioners, as well as research experience.
- Public Impact Fellowship November 2020
Awarded by University of California, Irvine Graduate Division
 - This fellowship provides funding to recognize doctoral students who have the potential for substantial impact in the public sphere.
- Newkirk Fellowship in Community Based Research September 2019 – September 2020
Awarded by the Newkirk Center for Science and Society
 - This fellowship provides funding to doctoral students with commitment to community-based research, as well as training in community-based research methods, through mentorship, placement with a community organization, and participation in research justice workshops.

Awards:

- Outstanding Dissertation Award in the Field of School Climate September 2022
Awarded by the AERA School Community, Climate, and Culture Special Interest Group
 - This award acknowledges an exemplary contribution to research in school climate with outstanding scientific or scholarly significance, quality of study methodology, and likelihood to impact the field.

Jennifer Renick

February 2025

- Pomona Unified School District Community Service Award April 2015
Awarded by the Pomona Unified School District
 - This award is given to those providing significant voluntary support to a school in PUSD.
- Kallick Community Service Award April 2013 and April 2015
Awarded by Pitzer College's Center for Community Engagement
 - This monetary award is given to students who have completed over 100 hours of meaningful community service, and are recommended by their service sites. Award was received twice.
- Katie Lawson Memorial Award April 2014
Awarded by Pitzer College's Research and Awards Ad Hoc Committee
 - This award provides funding for projects "dedicated to helping others".

Additional Research Experience:

- Developing a Collective Decision-Making Model with OCEJ September 2019 – September 2020
 - Partnered with Orange County Environmental Justice (OCEJ) to conduct a qualitative research project with group members to develop an organizational manual focused on collective decision-making processes.
- Community & Teacher Teams Investigate Equitable Noticing & Dispositions October 2017 – March 2019
 - Support research as a part of UCI and CU Boulder’s CoAttend project, recruiting community members, conducting classroom observations, creating summer institute programming, and conducting a study on community participants’ equity perspectives.
- Evaluating and Improving In School Suspension in High Need Schools June 2014 – May 2015
 - Partnered with an urban high school to conduct a mixed-methods program evaluation of their in-school suspension program (a topic determined by school stakeholders) to assess the

Jennifer Renick

February 2025

program's effectiveness for student discipline. A program improvement plan was designed and implemented with the school's discipline office upon completion of the project.

Teaching & Mentoring

Courses:

| | |
|---|----------------------|
| Adolescent Development and Education | Fall, 2022 – Present |
| • Assistant Professor | |
| Adolescent Development in Education | Summer, 2021 |
| • Instructor | |
| Introduction to Community and Civic Engagement and Community Based Research | Spring, 2020 |
| • Teaching Assistant | |
| Research Methods in Education | Winter, 2019 |
| • Teaching Assistant | |
| Adolescent Development in Education | Spring, 2018 |
| • Teaching Assistant | |
| Multicultural Education | Winter, 2018 |
| • Teaching Assistant | |

Invited Lectures:

| | |
|---|--------------|
| Scholar Leaders: Systemic Change in Education, <i>North Carolina State University</i> | Spring, 2024 |
| • Invited lecture in graduate course on the topic of institutional change for engaged scholarship | |
| Learning, Development, and Motivation, <i>Lewis & Clark College</i> | Spring, 2024 |
| • Invited lecture in undergraduate course on the topic of school climate | |
| Community-Based Research: Theory and Practice, <i>University of Wisconsin, Madison</i> | Spring, 2023 |
| • Invited lecture in graduate course on the topic of Youth-Participatory Action Research | |

Graduate Student Supervision & Mentoring:

| | |
|--|------------------------|
| Chloe Fan | August 2022 – Present |
| • Supervise Educational Psychology and Research doctoral student as a graduate assistant, supporting with advising and mentoring; serve as a member of her comprehensive exams committee | |
| Dana Barchak | January 2023 – Present |
| • Supervise Educational Psychology and Research doctoral student as a graduate assistant, supporting with advising and mentoring; serve as her co-advisor. | |
| Kailey Thorton | March 2023– Present |
| • Serve as member of master's thesis and doctoral dissertation committee for School Psychology doctoral student | |

Jennifer Renick

February 2025

Sara Flanigan September 2023 – Present
• Serve as co-advisor for Educational Psychology and Research doctoral student

Jasmine Blake March 2024– Present
• Serve as member of master's thesis committee for School Psychology doctoral student

Stacy Herard April 2024– Present
• Serve as member of master's thesis committee for School Psychology doctoral student

Undergraduate Research Supervision & Mentoring:

Giesi Lopez January 2021 – Present
• Supervised and mentored undergraduate student serving as a research assistant on two community-based research projects, including supporting his successful application for funding through UCI's Summer Undergraduate Research Program

Nancy Mendez January 2021 – July 2021
• Supervised and mentored undergraduate student serving as a research assistant on YPAR project, including supporting her co-presenting at a national research conference

Brianna Urrutia January 2021 – June 2021
• Supervised and mentored undergraduate student serving as a research assistant on YPAR project

Service

Professional Service:

SCRA School Engagement Interest Group Co-Chair and Member September 2019 – Present
• Co-chair and member of Society for Community Research and Action's (SCRA) School Engagement Interest group, providing leadership to and developing new initiatives for the group, including a policy statement on school policing

AERA School Community, Climate, and Culture Special Interest Group Secretary/Treasurer and Member August 2019 – Present
• Current secretary/treasurer and member of American Educational Research Association's (AERA) School Community, Climate, and Culture Special Interest Group, supporting leadership initiatives and programming

Rising Education Scholars Helping Advance Partnerships and Equity (RESHAPE) August 2019 – Present
• Founding member, supporting with leadership, programming, and communications

Community Psychology First Year Faculty Collective August 2022 – Present
• Founding member of nation-wide, cross-institute collective of community-engaged women faculty, who all started tenure-track roles in 2022, providing peer-mentorship and academic support

AERA conference reviewer August 2019 – Present
• Selected to review AERA annual meeting submissions for multiple interest groups, including the Action Research and School Community, Climate, and Culture Special interest group

Ad-hoc review November 2019 – Present

Jennifer Renick

February 2025

- Review manuscripts as invited and able (e.g., *Evidence & Policy*, *Journal of Adolescent Research*, *Journal of Prevention and Health Promotion*, and *Teachers College Record*)

Collaborations Journal, Editorial Board

February 2018 – June 2020

- Student Member of the editorial board, providing support by reviewing manuscripts

SCRA Mini-Grant Reviewer

February 2016 – December 2017

- Reviewed mini-grants submitted to the Society for Community Research and Action

Department Service:

Faculty Advisor, Educational Psychology and Research Student Association

September 2023 – Present

- Selected by students to serve as faculty advisor for departmental student association for doctoral students; assist with student advocacy and professional development for graduate students

Recruitment Committee, Educational Psychology and Research

December 2022 – Present

- Support Recruitment Committee for Educational Psychology and Research, including attending meetings and assist with revisions to department website to encourage student recruitment

Hiring Committee, Educational Psychology

September 2022 – January 2023

- Served on hiring committee for Assistant Professor of Teaching in Educational Psychology, reviewing applicant materials and conducting interviews

Previous University Service:

Community Building Committee Lead, UCI School of Education DECADE

September 2018 – January 2022

- Lead Community Building Committee of DECADE, planning socials and facilitating activities focused on building trust amongst the group

Chair, UCI School of Education DECADE

January 2019 – August 2020

- Served as Chair of Diverse Educational Community and Doctoral Experience (DECADE), facilitating meetings, managing member recruitment, developing group goals, and evaluating organizational progress

Cross-Cohort Conversations Coordinator, UCI School of Education DECADE

September 2018 – June 2019

- Coordinate workshops on programmatic milestones, leveraging expertise of doctoral students

Community Service:

Never Again Action Memphis

May 2023 – August 2024

- Participate in group meetings, support strategic initiatives, and assist in outreach efforts

Alliance for White Anti-Racists Everywhere

September 2015 – June 2023

- Participate in regular meetings, facilitate workshops, and attended Unmasking Whiteness Institute

White People for Black Lives

August 2016 – August 2022

- Serve as a pod leader and coach for AccountabiliTEAM projects, attending trainings on community organizing and leadership development, as well as leading a pod of new members and coaching a team of pod leaders; core member of Restorative Culture Team

Jennifer Renick

February 2025

Professional Certifications and Training:

- Advances in Mixed Methods Analysis and Integration March 2022
- Accepted to and participated in University of Michigan Mixed Methods Program's three-day training which explores various strategies and approaches for advanced mixed methods analysis
- Certificate in Mentoring Excellence November 2021
- Awarded certificate by University of California, Irvine's Graduate Division after successfully completing all components of five-week program focused on mentoring skills
- Introduction to Council Training September 2021
- Completed 16-hour certified training in council, a circle-based practice of deep listening, focused on understanding the basic tenets of council and learning council facilitation skills
- Summer Teaching Apprenticeship Program August 2021
- Accepted to and hired by University of California, Irvine's Division of Teaching Excellence and Innovation to receive training, practice, and mentorship prior to teaching a summer course
- Certificate in Community-based Research September 2020
- Awarded certificate by University of California, Irvine's Newkirk Center for Science and Society after participating in nine research justice workshops
- Certificate in Teaching Excellence June 2020
- Awarded certificate by University of California, Irvine's Division of Teaching Excellence and Innovation after completing all required course activities, focusing on evidence-based pedagogical principles and effective teaching practices
- Community Engaged Research Institute June 2018
- Accepted to and participated in UC Santa Cruz's four-day institute which explores the foundations, ethics, methods, and tools of collaborative research through seminars, roundtables, and workshops
- Building Bridges Leadership Academy August 2016
- Awarded certificate by California Conference for Equality and Justice after completing the three-day academy, focusing on developing skills to facilitate dialogue around systems of oppression
